PHILIPS

Handheld garment steamer
1200 W Steam-on-demand, Brush, Storage bag

GC320/55

Highlights

No ironing board needed

By using the steamer you do not need an ironing board anymore, which makes ironing hassle-free.

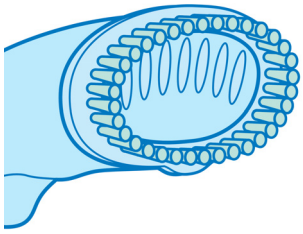
Even for delicates like silks

The steamer is safe to use on all garments. It is a great solution for delicate fabrics like silks.

Automatic continuous steam

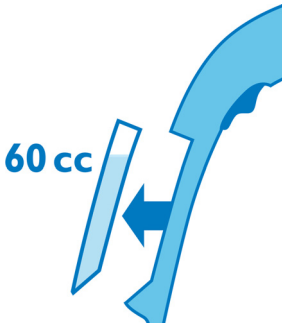
Electric pump provides continuous steam for easy and quick crease removal.

Brush accessory



Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.

Detachable water tank

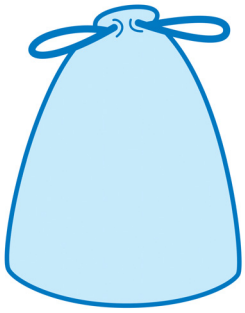


Detachable water tank for easier filling.

Ergonomic design

The handheld steamer is light and comfortable to use thanks to the ergonomic and compact design. Just press the trigger and quickly remove creases with continuous steam.

Exclusive storage bag



Use the supplied storage bag to store the handheld steamer after usage or to take along with you during your travels.

Fast heat up time

The steamer is ready to use within seconds.
